REVISION TO BUFFALO SEWER AUTHORITY POLICY – PURCHASING GUIDELINES
(ATTACHMENT A)

WHEREAS: The Buffalo Sewer Authority purchases goods and services according to its enabling legislation granted by the State of New York; and

WHEREAS: The Authority has developed Purchasing Guidelines for the procurement of goods and services that comply with State and Local Laws governing public bidding, including the New York State General Municipal Law; and

WHEREAS: The Purchasing Guidelines shall be annually reviewed and approved by the Board of the Buffalo Sewer Authority; and

WHEREAS: It is the Authority’s intent to implement and strictly enforce purchasing guidelines to openly promote fair competition, to acquire goods and services that provide the best product from a responsible vendor at the most reasonable price, to provide greater opportunities for disadvantaged businesses to provide goods and services for the Authority, and to guard against favoritism, improvidence, extravagance, fraud and corruption; and

WHEREAS: The New York State General Municipal Law provides that purchase and service contracts, other than purchase contracts necessary to complete construction contracts, may be awarded on the basis of best value; and

CHANGE ORDER NO. 2 – CONTRACT NO. 82000015

CONTRACTOR: Hohl Industrial, Inc.
770 Riverview Blvd.
Tonawanda, New York 14150

ORIGINAL CONTRACT COST $1,168,300.00
PREVIOUS CHANGE ORDER $584,637.00
THIS CHANGE ORDER $340,900.00
ADJUSTED CONTRACT COST $2,093,837.00

PROJECT: Settled Wastewater Pump and Motor #2 Rehabilitation

DESCRIPTION OF CHANGE OR EXTRA WORK:

Item #1 Complete rewind of rotor and stator for Raw Wastewater (RWW) Motor #5.

REASON FOR CHANGE OR EXTRA WORK:

Item #1 On March 4, 2020, the Board of the Buffalo Sewer Authority approved the award and approval for the Settled Wastewater (SWW) Pump and Motor #2 Rehabilitation Contract to Hohl Industrial, Inc., in the amount of $1,168,300.00. The original project included a requirement to rewind RWW Motor #5.

Subsequently, it was determined that SWW Motor #1 also needed a rewind. In an effort to keep costs to a minimum BSA removed the requirement to rewind RWW Motor #5. Therefore, Change Order No. 1 resulted in the additional work of rewinding SWW Motor #1 and the deletion of the requirement to rewind RWW Motor #5. On May 27, 2020 the Board of the Buffalo Sewer Authority approved Change Order No.1 in the amount of $584,637.00 making the adjusted contract amount $1,752,937.00

Unfortunately, it has subsequently been determined that RWW Motor #1 is also in need of a rewind, thereby reducing the pumping capacity of the RWW station even further. Therefore, it is necessary to restore the contract requirement to rewind RWW Motor #5 for the original bid amount of $340,900.00.

COST OF CHANGE OR EXTRA WORK:

Item #1 $340,900.00

THE TOTAL COST OF THE CHANGE OR EXTRA WORK $340,900.00

The total INCREASE to the contract as a result of this Change Order is $340,900.00
CONTRACT SUPPLEMENT CONDITIONS:

1. The contract completion date established in the original contract or as modified by previous contract supplements is hereby changed by 0 calendar days, making the final completion date November 3, 2020.

2. Any additional work to be performed under this contract supplement shall be carried out in compliance with the specifications included in the preceding description of changes involved with the supplemental contract drawings designated none and under the provisions of the original contract, including compliance with applicable equipment specifications, general specifications, and project specifications for the same type of work.

3. This contract supplement unless otherwise provided herein does not relieve the Contractor from strict compliance with the guarantee provisions of the original contract, particularly those pertaining to performance and operation of equipment.

4. The Contractor expressly agrees that he will place under coverage of his performance and payment bonds and Contractor’s Insurance all work covered by this contract supplement. 5. NOW THEREFORE
BE IT RESOLVED: That the Board of the Buffalo Sewer Authority hereby approves Change Order No. 2 to Contract No. 82000015 as written in the above Agenda Item, increasing the contract cost in the amount of $340,900.00, making the adjusted contract cost $2,093,837.00.
