Board Meeting of September 30, 2020
WHEREAS: The Buffalo Sewer Authority purchases goods and services according to its enabling legislation granted by the State of New York; and

WHEREAS: The Authority has developed Purchasing Guidelines for the procurement of goods and services that comply with State and Local Laws governing public bidding, including the New York State General Municipal Law; and

WHEREAS: The Purchasing Guidelines shall be annually reviewed and approved by the Board of the Buffalo Sewer Authority; and

WHEREAS: It is the Authority's intent to implement and strictly enforce purchasing guidelines to openly promote fair competition, to acquire goods and services that provide the best product from a responsible vendor at the most reasonable price, to provide greater opportunities for disadvantaged businesses to provide goods and services for the Authority, and to guard against favoritism, improvidence, extravagance, fraud and corruption; and

WHEREAS: The New York State General Municipal Law provides that purchase and service contracts, other than purchase contracts necessary to complete construction contracts, may be awarded on the basis of best value; and

WHEREAS: New York State Law defines "best value" as the basis for awarding contracts that optimizes quality, cost and efficiency and provides that such basis may identify a quantitative factor for bidders that are certified minority- or women-owned business enterprises (M/WBEs), or service-disabled veteran-owned business enterprises (SDVOBs); and

WHEREAS: Buffalo Sewer Authority staff have revised the Purchasing Guidelines to allow for the use of a best value methodology in determining the award of purchase and service contracts, other than those purchase contracts necessary to complete construction contracts, and to make other minor updates; and
WHEREAS: Under the revised Purchasing Guidelines, to determine best value, the Authority may consider factors including, but not limited to: reliability of products; responsibility of the supplier; efficiency and/or ease of use; useful lifespan; ability to meet the Authority's needs regarding timeliness of delivery or performance; durability; availability of replacement parts or maintenance contractors; quality of craftsmanship; warranty; and the vendor's status as an M/WBE or SDVOB, with such factors specified in the bidding documents; and

WHEREAS: Under the revised Purchasing Guidelines, for all purchase and service contracts where a best value methodology could be utilized, bids from businesses that are certified as an M/WBE and/or SDVOB will be evaluated as if their bid price were 10%-20% lower, with the specific percentage used specified in the bid announcement.

NOW THEREFORE BE IT RESOLVED: That the Board of the Buffalo Sewer Authority hereby approves the following "Purchasing Guidelines" (Attachment A), which establishes the basis for the procurement of goods and services by the Buffalo Sewer Authority.

Any additional work to be performed under this contract supplement shall be carried out in compliance with the specifications included in the preceding description of changes involved with the supplemental contract drawings designated none and under the provisions of the original contract, including compliance with applicable equipment specifications, general specifications, and project specifications for the same type of work.

3. This contract supplement unless otherwise provided herein does not relieve the Contractor from strict compliance with the guarantee provisions of the original contract, particularly those pertaining to performance and operation of equipment.
4. The Contractor expressly agrees that he will place under coverage of his performance and payment bonds and Contractor's Insurance all work covered by this contract supplement. The Contractor will furnish to the Owner evidence of increased coverage of his performance and payment bonds for the accrued value of all contract supplements that exceeds the original contract price by twenty percent (20%).

5. The costs established under this contract supplement are acknowledged as including any and all costs associated with the work described herein and including any and all costs associated with any and all work performed or to be performed by the Contractor that may be affected in any manner by the work described herein.

NOW THEREFORE
BE IT RESOLVED: That the Board of the Buffalo Sewer Authority hereby approves Change Order No. 1 to Contract No. 82000006 as written in the above Agenda Item, decreasing the contract cost in the amount of $45,017.00 making the adjusted contract cost $928,986.00.
