All Notes so surrendered to the Authority shall be delivered to the Paying Agent and cancelled by it and evidence of such cancellation shall be given to the Authority.

Section 3.4 Cancellation and Destruction of Notes. All Notes paid by the Paying Agent shall be promptly cancelled. Notes so cancelled may at any time be cremated or otherwise destroyed by the Paying Agent, who shall execute a Certificate of cremation or destruction in duplicate by the signature of one of its Authorized Officers describing the Notes so cremated or otherwise destroyed, and one executed Certificate shall be filed with the Authority.

Section 3.5 Execution. The Notes shall be executed in the name of the Authority by the manual or facsimile signature of its Chairman or Vice-Chairman, and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, impressed, engraved or otherwise

reproduced thereon and attested by the manual or facsimile signature of the Comptroller, Secretary or any Assistant Secretary, or in such other manner as may be required by law. Each Note shall bear thereon a certificate of authentication manually executed by the Paying Agent and Registrar. No Note shall be valid or obligatory for any purpose unless such certificate of authentication upon such Note shall have been duly executed by the Paying Agent and Registrar. In case any one or more of the officers or employees who shall have signed or sealed any of the Notes shall cease to be such officer or employee before the Notes so signed and sealed shall have been actually delivered, such Notes may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed or sealed such Notes had not ceased to hold such office or be so employed. Any Note may be signed and sealed on behalf of the Authority by such persons as at the actual time of the execution of such Note shall be duly authorized or hold the proper office in or employment by the Authority, although at the date of the Notes such persons may not have been so authorized or have held such office or employment.

Section 3.6 Registration of the Notes. The Notes shall be initially issued in the form of a separate single authenticated fully registered note in a principal amount not to exceed \$5,700,000 registered in the name of the New York State Environmental Facilities Corporation.

Section 3.7 Transfer of Notes. Upon transfer of any such fully registered Note, the Authority shall issue in the name of the transferee a new fully registered Note or Notes. The Authority and the Registrar may deem and treat the person in whose name any Note shall be registered upon the books of the Authority as the absolute owner of such Note, whether such Note shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest, if any, on such Note and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid, and neither the Authority nor the Registrar shall be affected by any notice to the contrary.

Section 3.8 Regulations With Respect to the Exchanges and Transfers. In all cases in which the privilege of exchanging or transferring Notes is exercised, the Authority shall execute and the Registrar shall deliver Notes in accordance with the provisions hereof. All Notes surrendered in any such exchanges or transfers shall forthwith be cancelled by the Registrar. For every such exchange or transfer of Notes, the Authority or the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and may charge a sum sufficient to pay the cost of preparing each new Note issued upon such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privileges of making such exchange or transfer.

ARTICLE IV

ACCOUNTS

Section 4.1 Establishment of Note Payment Account. (A) The Authority hereby establishes a special account, which shall be designated as the Note Payment Account. Said Note Payment Account shall be held by the Fiduciary, separate and apart from all other accounts, moneys and assets of the Authority, and shall be identified by the Authority and the Paying Agent and Registrar according to the designation herein provided in such manner as to distinguish such Note Payment Account from the accounts established by the Authority for any other of its obligations. All moneys or securities held by the Fiduciary pursuant to this Note Resolution shall be held and applied only in accordance with the provisions of this Note Resolution.

(B) Any amounts available pursuant to Section 504(G) (SECOND) of the Sewer System Revenue Bond Resolution and required to be deposited pursuant to Section 5.9 of this Note Resolution shall be deposited to the credit of the Note Payment Account.

(C) The proceeds of any notes, bonds or other obligations of the Authority issued to redeem the Notes, in whole or in part, as determined by the Authority, shall be deposited to the credit of the Note Payment Account.

(D) The Fiduciary shall, on or before the maturity date of the Notes, withdraw from the Note Payment Account an amount equal to the aggregate principal amount of and accrued interest, if any, on the Outstanding Notes, or, if the amount on deposit to the credit of the Note Payment Account is less than the aggregate principal amount of and accrued interest, if any, on the Outstanding Notes, the balance on deposit to the credit of the Note Payment Account, and shall apply such amount solely to the payment of Outstanding Notes.

Section 4.2 Deposits. (A) In lieu of investing in Investment Securities (except as provided in Section 7.3), the Fiduciary shall, at the written direction of an Authorized Officer, if permitted by law, deposit amounts or cause amounts to be deposited in the Note Payment Account held by the Fiduciary or under its control pursuant to the terms of this Note Resolution in interest-bearing time deposits or certificates of deposit, or shall make other similar banking arrangements with itself or a financial institution the deposits of which are insured by the Federal Deposit Insurance Corporation or its successor. Each such interest-bearing time deposit or certificate of deposit or other similar banking arrangement shall permit the moneys so placed to be available at the times at which moneys are needed by the Authority to be expended and, except to the extent that any such deposits shall be insured by the United States of America or the federal corporations enumerated above on terms which in the judgment of the Authority (as expressed in written instructions to the Fiduciary) provide reasonable liquidity, all moneys in each such interest-bearing time deposit or certificate of deposit or other similar banking arrangement shall be continuously and fully secured under the laws of the State by Investment Securities (or other obligations rated in either of the two highest rating categories by a nationally

recognized rating service) having a market value equal at all times to the amount of the deposit, certificate or other similar banking arrangement.

(B) In order to permit such amounts to be available for use at the time when needed, any amounts held under this Note Resolution by any Fiduciary, as such, may, if and as directed by the Authority, be deposited in the commercial banking department of such Fiduciary which may honor checks and drafts on such deposit with the same force and effect as if it were not such Fiduciary. Any such Fiduciary shall allow and credit on such amounts at least such interest, if any, as it customarily allows upon similar funds of similar size and under similar conditions or as required by law.

(C) All amounts deposited by any Fiduciary pursuant to subsection (B) above shall be continuously and fully secured either (a) by lodging with any Federal Reserve Bank as custodian, as collateral security, Investment Securities having a market value (exclusive of accrued interest) not less than the amount of such deposit, or (b) in such other manner as may then be required by applicable federal or state laws and regulations regarding security for the deposit of public funds. It shall not be necessary, unless required by applicable law, for the Fiduciary to give security under this Section for the deposit of any amounts to the extent that such deposit is insured by the Federal Deposit Insurance Corporation or its successor, or which are held in trust and set aside by the Fiduciary for the payment of the Notes.

(D) All amounts so deposited by the Fiduciary shall be credited to the Note Payment Account.

Section 4.3 Investment of Certain Funds. (A) Subject to the right of the Authority to direct the investment or deposit of funds hereunder, moneys in any Account shall be continuously invested and reinvested or deposited and redeposited by the Fiduciary in Investment Securities with a view toward maximizing yield (with proper preservation of principal) and minimizing the instances of uninvested funds. The Authority shall consult with the Fiduciary from time to time as to the investment of amounts in the Accounts established or confirmed by this Note Resolution. The Authority may direct the Fiduciary to, or in the absence of direction, the Fiduciary shall, invest and reinvest the moneys in any Account in Investment Securities so that the maturity dates shall coincide as nearly as practicable with the times at which moneys are needed to be expended. The Investment Securities purchased shall be held by the Fiduciary, or for its account as Fiduciary, and shall be deemed at all times to be part of such Account, and the Fiduciary shall keep the Authority advised as to the details of all such investments. The Fiduciary shall sell at the best price obtainable, or present for redemption, any Investment Securities purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment from such Account.

(B) Investment Securities purchased as an investment of moneys in any Account by the Fiduciary under the provisions of this Note Resolution shall be deemed at all times to be a part of such Account. Any income or interest earned and gains realized in excess of losses

suffered by the Note Payment Account shall be retained therein and used for the purposes of such Account.

(C) The Fiduciary shall sell at the best price obtainable, or present for redemption or exchange, any Investment Security purchased by it pursuant to this Note Resolution whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Account for which such investment was made. The Fiduciary shall advise the Authority in writing, on or before the twentieth day of each calendar month, of all investments held for the credit of each Account in its custody under the provisions of this Note Resolution as of the end of the preceding month.

Section 4.4 Valuation and Sale of Investments. (A) In computing the amount in any Account, obligations purchased as an investment of moneys therein shall be valued at the lower of cost or market value (exclusive of accrued interest).

(B) Except as otherwise provided herein, the Fiduciary shall sell at the best price obtainable, or present for redemption, any Investment Security whenever it shall be requested in writing by an Authorized Officer to do so or whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Account held by it.

(B) The Authority shall not permit at any time or times any of the proceeds of the Notes or any other funds of the Authority to be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any Note to be an "arbitrage bond" as defined in Section 148 of the Code.

Section 5.9 Withdrawal from Net Revenue Fund. In the event that the Authority cannot issue notes, bonds or other obligations of the Authority to redeem the Notes at maturity, the Authority shall, at least 15 days prior to the maturity date of the Notes, cause to be transferred to the Paying Agent and Registrar for the credit of the Note Payment Account from the Net Revenue Fund an amount sufficient, to the extent that moneys on deposit in the Net Revenue Fund are available therefor, to pay the Notes, provided, however, that any withdrawal from the Net Revenue Fund pursuant to this Section 5.9 shall be, in all respects, subject to the provisions of Section 504(G) of the Sewer System Revenue Bond Resolution.

Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority; and

(2) the amount of Notes registered in the name of any person executing any instrument as a Noteowner, the date of registration of such ownership and the numbers and other identification thereof, may be proved by a certificate, which need not be acknowledged or verified, in form satisfactory to the Authority, executed by a member of a financial firm or by an officer of a bank, trust company, insurance company or financial corporation or other fiduciary, showing at the date therein mentioned that such person exhibited to such member or officer or had on deposit with such fiduciary the Notes described in such certificate. Such certificate may be given by a member of a financial firm or by an officer of any bank, trust company, insurance company or financial corporation or other fiduciary with respect to Notes owned by it, if acceptable to the Authority.
