---

BE IT RESOLVED by the Board of the Buffalo Sewer Authority (the “Authority”) as follows:

ARTICLE I

DEFINITIONS AND AUTHORITY

Section 101. Short Title. This resolution may hereafter be cited by the Authority and is herein referred to as the Twelfth Supplemental Resolution.

Section 102. Definitions.

(A) All terms which are defined in Section 102 of the resolution adopted by the Authority on June 29, 1977 and entitled “Sewer System Revenue Bond Resolution” (the “Resolution”), as heretofore amended, shall have the same meanings, respectively, in this Twelfth Supplemental Resolution as such terms are given in said Section of the Resolution.

(B) In this Twelfth Supplemental Resolution:

“Corporation” shall mean the New York State Environmental Facilities Corporation, a body corporate and politic constituting a public benefit corporation, established and existing under and by virtue of the laws of the State of New York.

“Project Finance Agreement” or “PFA” shall mean the project finance agreement to be entered into between the Authority and the Corporation relating to the Series L Bond, in substantially the form presented to this meeting, as the same may be amended and supplemented from time to time.

“Series L Bond” means the Sewer System Revenue Bond, Series L, authorized by, and the terms, conditions and other details of issuance of which are to be determined as set forth in, this Twelfth Supplemental Resolution.

“Twelfth Supplemental Resolution” shall mean this Twelfth Supplemental Sewer System Revenue Bond Resolution.

Section 103. Authority for This Twelfth Supplemental Resolution. This Twelfth Supplemental Resolution is adopted pursuant to the provisions of the Act and the Resolution.

Section 104. Resolution to Constitute Contract. In consideration of the purchase and acceptance of the Series L Bond by the Corporation, the provisions of this Twelfth Supplemental Resolution shall be a part of the Project Finance Agreement and shall be deemed to be and shall constitute a contract among the Authority, the Trustee and the Corporation.

## ARTICLE II

AUTHORIZATION OF THE SERIES L BOND AND  
DETERMINATION OF CERTAIN TERMS OF THE SERIES L BOND

Section 201. Twelfth Supplemental Resolution. This Twelfth Supplemental Resolution is supplemental to, and is adopted in accordance with, Article II and Article VIII of the Resolution.

Section 202. Principal Amount, Designation and Series. Pursuant to the provisions of the Resolution, a Series of Bonds (the "Series L Bond") entitled to the equal benefit, protection and security thereof, is hereby authorized, and shall be issued in an aggregate principal amount not to exceed \$10,000,000, as set forth in the Project Finance Agreement. The Series L Bond shall be designated as, and shall be distinguished from the Bonds of all other Series, by the title "Sewer System Revenue Bond, Series L".

Section 203. Purposes. The Series L Bond is issued to provide moneys for the making of deposits in the amounts, if any, required by the Project Finance Agreement or by the Resolution or this Twelfth Supplemental Resolution into the Construction Fund and any other Funds and Accounts established pursuant to Article V of the Resolution, this Twelfth Supplemental Resolution or the Project Finance Agreement. The proceeds of the Series L Bond shall provide permanent long-term financing for the second phase of the Bird Island Wastewater Treatment Plant Primary Digester Cleaning, Inspection, and Repair Project (EFC Project No. C9-6602-06-01); and will also fund required debt service reserve funds and costs of issuance in connection with such financing.

Section 204. Date, Maturities and Interest Rates. The Series L Bond shall be dated and shall mature and accrue interest in accordance with the Project Finance Agreement. The Series L Bond will be payable as to principal and interest at the principal office of the Paying Agent to the registered owner thereof at its address set forth on the books of the Authority maintained by the Trustee for registration of the Series L Bond. For so long as the Corporation is the registered owner of the Series L Bond, the Corporation may, by written instruction to the Paying Agent, direct the Paying Agent to pay any principal of or interest on the Series L Bond to any bank acting as custodian of the Corporation. The principal of and interest on the Series L Bond shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts.

Section 205. Form, Denominations, Numbers and Letters. The Series L Bond maturing in any particular year shall be issued in the form of fully registered bonds, in the denomination of \$5,000 or any multiple thereof not exceeding the aggregate principal amount of the Series L Bond maturing in such year, provided that the principal payment of any odd amount (exceeding a \$5,000 increment) will be paid in 2008. The Series L Bond shall be lettered LR, and numbered from one consecutively upward. Alternatively, at the request of the Corporation, the Series L Bond may be issued as one or more installment bonds providing for payments of principal and interest identical to those which would be required if a separate bond or bonds were issued for each stated maturity, or as one or more term bonds with mandatory sinking fund installments.

Section 206. Sinking Fund Installments. Sinking Fund Installments are hereby established for the Series L Bond to the extent, if any, required by the Project Finance Agreement.

Section 207. Redemption. The Series L Bond shall be subject to mandatory and optional redemption to the extent, if any, provided in the Project Finance Agreement.

Section 208. Registration and Transfer of the Series L Bond. The Series L Bond shall be initially issued in the form of a separate single authenticated fully registered bond in the amount of each separate stated maturity of the Series L Bond registered in the name of the Corporation. Alternatively, at the request of the Corporation, the Series L Bond may be issued as one or more installment bonds providing for payments of principal and interest identical to those which would be required if a separate bond or bonds were issued for each stated maturity, or as one or more term bonds with mandatory sinking fund installments.

## ARTICLE III

## SALE AND DISPOSITION OF PROCEEDS AND OTHER AMOUNTS

Section 301. Determination as to Private Sale. The Authority being of the opinion that it is in the best interests of the Authority to finance the purposes for which the Series L Bond are to be issued through the Clean Water State Revolving Fund administered by the Corporation, due to the favorable financing terms available thereunder, and upon the favorable recommendation of the Authority's independent financial advisor, the Authority hereby determines pursuant to Section 1187 of the Act (subject to the approval of the New York State Comptroller pursuant to said Section 1187) that the private sale of the Series L Bond is in the best interests of the Authority.

Section 302. Sale of the Series L Bond.

(A) The Project Finance Agreement relating to the Series L Bond by and between the Authority and the Corporation, substantially in the form presented at this meeting and hereby made a part of this Twelfth Supplemental Resolution as though set forth in full herein, is hereby approved; provided that any changes, insertions and omissions thereto, including a change in the principal amount of the Series L Bond, may be made and approved by the Chairman, the Vice-Chairman or the General Manager of the Authority. The Chairman, the Vice-Chairman or the General Manager of the Authority are hereby authorized to execute and deliver the PFA with such changes, insertions and omissions as may be approved by such Chairman, Vice-Chairman or General Manager, and such execution shall be conclusive evidence of any approval required by this subsection 302(A). The Series L Bond is hereby authorized to be sold to the Corporation on the terms and conditions as set forth in the PFA and the Notice of Terms to be delivered thereunder and approved by the Chairman, Vice-Chairman or General Manager. The authority to make any and all determinations as to the terms, conditions and details of issuance of the Series L Bond is hereby delegated to the Chairman, Vice-Chairman, or General Manager.

(B) The Chairman, Vice-Chairman, General Manager, Comptroller, Chief Fiscal Officer, Secretary, Assistant Secretary, if any, Executive Secretary and General Counsel (the "Authorized Representatives") of the Authority are hereby severally authorized to execute and deliver any and all papers, instruments, opinions, certificates, affidavits, and other documents and to do and cause to be done all acts and things necessary, convenient or proper for carrying out the Resolution, this Twelfth Supplemental Resolution, the PFA and the issuance, sale and delivery of the Series L Bond.

Section 303. Disposition of Proceeds of the Series L Bond. The proceeds of sale of the Series L Bond shall be applied in accordance with applicable provisions of the Resolution and the Project Finance Agreement. To the extent any proceeds are required to be deposited into the Construction Fund, such proceeds will be disbursed as provided in the Resolution and in the Project Finance Agreement, including Section 3.5 thereof. Disbursements of proceeds of the Series L Bond held in the Construction Fund will be disbursed by the Trustee only upon submission by the Authority of a requisition to the Trustee for such proceeds for Project Costs (as defined in the PFA) substantially in the form attached as Appendix One to Exhibit L of the PFA. Further, the Trustee shall not make any disbursement unless the requisition for such disbursement shall have been approved by the Corporation; provided, however, that if the Corporation shall not expressly approve or deny such requisition within ten (10) Business Days (as defined in the PFA) of its receipt, then the Corporation shall be deemed to

have approved such requisition at 9:00 a.m. on the eleventh Business Day next succeeding actual receipt of the request by the Corporation.

Section 304. Tax Covenants. (A) The Authority shall not permit at any time or times any of the proceeds of the Series L Bond or any other funds of the Authority to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Series L Bond to be an “arbitrage bond” as defined in Section 148 of the Internal Revenue Code of 1986, as amended (herein in this Section called the “Code”).

(B) The Authority shall not permit at any time or times any proceeds of the Series L Bond or any other funds of the Authority to be used, directly or indirectly, in a manner which would result in the exclusion of any Series L Bond from the treatment afforded by Section 103(a) of the Code, as from time to time amended, or result in the classification of any Series L Bond as a “private activity bond” within the meaning of Section 141 of the Code.

(C) The Authority will comply with the provisions and procedures of the Arbitrage and Use of Proceeds Certificate to be delivered concurrently with the delivery of the Series L Bond, and it will do and perform all acts and things necessary or desirable to assure that interest paid on the Series L Bond is excludable from gross income under Section 103 of the Code.

Principal of, redemption premium, if any, and interest on this Bond are payable in any coin or currency of the United States of America which on the respective dates of payment hereof, shall be legal tender for the payment of public and private debts.

This Bond is a duly authorized bond (the "Bond") of the Buffalo Sewer Authority (the "Recipient") designated "Sewer System Revenue Bond, Series L" in the aggregate principal amount of \$ \_\_\_\_\_ which is issued to provide moneys for the making of deposits in the amounts, if any, required by the Resolution (as defined below) and to finance improvements to the municipal sewer system of the City of Buffalo. The Bond is issued pursuant to the provisions of the Buffalo Sewer Authority Act, Title 8 of Article 5 of the Public Authorities Law, Chapter 43-A of the Consolidated Laws of the State of New York, as amended (the "Act"), a Sewer System Revenue Bond Resolution (as amended, the "General Resolution") duly adopted by the Recipient on June 29, 1977, and a Twelfth Supplemental Resolution (the "Twelfth Supplemental Resolution") duly adopted by the Authority on November 9, 2005 (the General Resolution and the Twelfth Supplemental Resolution being collectively referred to herein as the "Resolution"). A copy of the Resolution is on file at the office of the Recipient in the City of Buffalo, New York and at the corporate trust office in Buffalo, New York, of the Trustee. Reference to the Resolution and any and all supplements thereto and modifications and amendments thereof and to the Act is made for a description of the pledges and covenants securing the bonds, the nature, extent and manner of enforcement of such pledges, the rights and remedies of the registered owners of the bonds with respect thereto and the terms and conditions upon which the bonds are issued and additional bonds may be issued in additional series for the purpose of providing sufficient funds for the capital costs of the Authority's sewer system or for the purpose of refunding Outstanding Bonds.

This Bond and the issue of which it forms a part are special obligations of the Recipient payable solely from revenues and other moneys pledged for such payment pursuant to the Act and the Resolution. This Bond and the issue of which it forms a part shall not in any respect be a general obligation of the Recipient to which the full faith and credit of the Recipient is pledged and shall not in any manner or to any extent constitute or be a charge upon any moneys or property of the Recipient not specifically pledged thereto by the Resolution. The Recipient has no taxing power. This Bond is not a debt of the State of New York or the City of Buffalo within the meaning of any statutory or constitutional provisions, nor of any political subdivision of the State of New York, other than the Recipient, or the United States of America. Neither the State of New York, any political subdivision of the State of New York, other than the Recipient, nor the United States of America shall be liable on this Bond. This Bond will not constitute a pledge of the faith and credit of the State of New York, the City of Buffalo, or of any political subdivision of the State of New York, other than the Recipient, nor shall this Bond be payable out of funds or properties other than those of the Recipient set forth in the Resolution. The issuance of this Bond will not obligate the State of New York or any of its political subdivisions or the United States of America to levy or pledge the receipts from any form of taxation for the payment of this Bond.

Neither the officers of the Recipient nor any person executing this Bond shall be liable personally or be subject to any personal liability or accountability by reason of the issuance hereof.

This Bond is transferable or exchangeable, as provided in the Resolution, only upon the books of the Recipient kept for that purpose at the corporate trust office in Buffalo, New York of the Trustee by the Registered Owner hereof in person, or by his duly authorized attorney, upon surrender of this Bond (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Registered Owner or his duly authorized attorney), and thereupon a new registered Bond or Bonds, without coupons, in the same aggregate principal amount and of the same maturity, shall be issued to the transferee or the Registered Owner in exchange therefor in the manner, subject to the conditions and upon payment of the charges, if any, provided in the Resolution. The Recipient and the Trustee (or other fiduciary) may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever.

The Bonds are issuable in the form of registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof, not exceeding the aggregate principal amount of Bonds stated to mature in the year of stated maturity of the Bond for which the denomination of the Bond is to be specified, provided that the principal payment of any odd amount (exceeding a \$5,000 increment) will be paid in 2008.

On or after \_\_\_\_\_, 20\_\_ at the option of the Recipient, the Bonds maturing after \_\_\_\_\_, 20\_\_, shall be subject to redemption prior to maturity, in whole at any time or in part in principal amounts of \$5,000 or integral multiples thereof on any interest payment date, from any moneys available therefor, in such order of maturities as shall be determined by the Recipient, at a redemption price, in either case, equal to the principal amount of such Bonds to be redeemed, together with (i) the Applicable Redemption Premium and (ii) the accrued and unpaid interest on the principal amount to be redeemed to the date fixed for redemption. As used herein "Applicable Redemption Premium" with respect to any maturity of the Bonds to be redeemed means \_\_\_\_\_ percent (\_\_\_%) of the principal amount of the Bonds to be redeemed or such lesser redemption premium as is specified in the Notice of Terms (as defined in the Project Finance Agreement dated as of \_\_\_\_\_, 20\_\_ between the Corporation and the Recipient) for such maturity and redemption date.

Notwithstanding the foregoing, no Bond or portion of this Bond that is not in an amount which is an integral multiple of \$5,000 shall be subject to such redemption at the option of the Recipient without the express written consent of the Corporation.

Any such redemption, either as a whole or in part, shall be made upon at least sixty (60) days and no more than seventy-five (75) days prior written notice to (i) the Corporation and to the trustee for the Corporation's State Clean Water and Drinking Water Revolving Funds Revenue Bonds, Series \_\_\_\_ (the "Corporation Bonds"), during any period when the bonds are held by or for the benefit of the Corporation or of holders of the Corporation Bonds, or (ii) any successor holder of this Bond at any time thereafter. The failure to give any such notice, or any defect therein, will not affect the validity of any proceeding for the redemption of any bond with respect to which no such failure to give notice, or defect therein, has occurred.

The moneys necessary for any redemption of Bonds shall be paid to or deposited with (i) the Paying Agent during any period when the Bonds are held for the benefit of the holders of the Corporation Bonds, and (ii) the Trustee during any period when the Bonds are otherwise held, in either case on or prior to the redemption date. All Bonds called for redemption will cease to bear interest on the specified redemption date, provided funds sufficient for the redemption of such Bonds are on deposit with the Trustee or Paying Agent, as appropriate. If such moneys are not available on the redemption date, the Bonds or portions thereof will continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

The General Resolution permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Recipient and the rights of the holders of the bonds at any time by the Recipient with the consent of the holders of not less than two-thirds in aggregate principal amount of the bonds at the time outstanding thereunder. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each bond and of any such bond issued upon the transfer or exchange thereof, whether or not notation of such consent is made thereon. The General Resolution also contains certain provisions permitting the Trustee to waive certain past defaults and their consequences. The holder of this Bond shall have no right to enforce the provisions of the Resolution, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Resolution.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and statutes of the State of New York and the Resolution to have happened, to exist and to have been performed precedent to and in the issuance of this Bond, do exist, have happened and have been performed in regular and due time, form and manner as required by said Constitution, statutes and Resolution; that the series of Bonds of which this Bond is a part does not exceed any constitutional, statutory or charter limitation of indebtedness; and that provision has been made for the payment of the principal of and interest, if any, on this Bond as provided in the Resolution.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Resolution until the certificate of authentication hereon shall have been signed by the Trustee.

IN WITNESS WHEREOF, THE BUFFALO SEWER AUTHORITY has caused this Bond to be executed in its name by its Chairman, Vice-Chairman or General Manager by his manual signature or a facsimile of his signature, to bear a facsimile of its corporate seal attested by the Secretary or Executive Secretary of the Recipient by his manual signature or a facsimile of his signature, and this Bond to be dated as of the date set forth above.
